Attorney Docket No.: CS-2170	:	

This is a decision on the correspondence entitled "Petition Under 37 CFR 1.183 to Waive Requirements of 37 CFR 3.81 & Include Second Assignee's Name on Patent," filed July 14, 2008, to correct the name of the assignee on the front page of the above-identified patent by way of a Certificate of Correction. The request is properly treated as a petition under 37 CFR 3.81(b)<sup>1</sup>. The delay in treating this petition is regretted.

The Petition is granted.

The petition was accompanied by a certificate of correction as required by 3.81(b), and the fee submitted with the present petition. Further, Office assignment records reflect that HYNIX SEMICONDUCTOR INC., is the assignee of record<sup>2</sup>. As the request complies with the provisions of 37 CFR 3.81(b), it would be appropriate for a certificate of correction to be processed.

Telephone inquiries concerning this matter should be directed to the undersigned at (571) 272-3232. Any questions concerning the issuance of the Certificate of Correction should be directed to the Certificate of Correction Branch at (571) 272-4200.

<sup>1</sup> See MPEP 1309, subsection II; and Official Gazette of June 22, 2004.

<sup>2</sup> In the case of a division or continuation application, a prior assignment recorded against the original application is applied (effective) to the division or continuation application because the assignment recorded against the original application gives the assignee rights to the subject matter common to both applications. MPEP 306.

This matter is being referred to the Certificates of Correction Branch for processing of a certificate of correction after issuance of this application into a patent.
